### **Announcing... Marybell Township News!**

After winning the trial in a landslide, I have decided to begin a weekly newsletter dedicated to keeping Marybell Township's people in the know of the events of their civilization. If you wish to be a writer for the paper, applications are open. Anywho, after the trial, I had decided to send myself to rehab. Yes, it's true. And while in rehab, taking a pee, no less, I was able to devise an intricate and detailed plan for the future of Marybell Township following our groundbreaking trial.

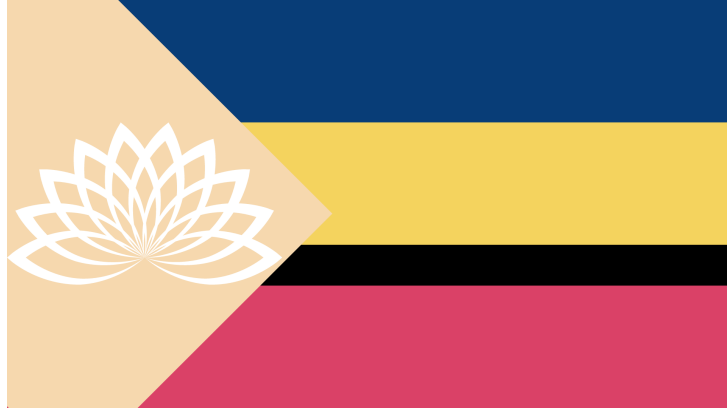

### **The Checks and Balances System**

For far too long, Marybell Township has been a dictatorship. Me and Lee have ruled for, well, far too long. Using this new system, we believe that a better government for the people will be created.

- **The Monarchy**
  - The Monarchy consists of the royal family of gods, Lee, Mary, as well as their five demonic children. They will oversee the economy, relations with other nations, and the Knights of Marybell.
- **The Prime Minister (And Vice Minister)**
  - The President, whoever they may be, will oversee the creation of new laws, as well as gain access to the classified documents of Marybell Township. Six people are currently running for president.
    - Soph Baba
    - Harold Coronado
    - Cujo Strohm
    - Scott
    - Aiden
    - Ariana, The Only, Borjas
- **The Court**
  - The court is where you, the people, come in! The court consists of a jury (a select amount of six of the town's people) and a judge who will be either Scott or Aiden.

### **The New Flag!**

Marybell Township has a new flag, pictured here.

The lotus flower and the peach colored triangle represent the high lives of our people. The red that has been added is made to honor Clef and Clefburg. The gold added represents the honor of the Knights of Mary Bell, and the red represents liberty and freedom. And the black flag, the last added, is to pay tribute to our fallen brother, Sal.

## **The Knights of Marybell!**

The knights of Mary Bell have been reborn, now consisting of Ember, Sal, Jasper, Crow, and Abial.
